

**DECLARATION OF COMMITMENT WITH THE AIM OF DEVELOPING THE
POLICY OF DESIGN FOR ALL AND THE IMPLEMENTATION OF THE
COMMITMENT TO DESIGN FOR ALL.**

Barcelona, 200....

We hereby put on record that on the..... the company agrees to execute the principles of Design for All which is defined as the design and improvement of environments, products and services with the aim that everyone, including future generations, regardless of age, gender, capabilities or cultural baggage, can participate on an equal basis in social, economic, cultural, leisure and recreational activities as well as use and understand any part of the environment with as much independence as possible.

With the aim of being a company "Recognised by the Design for All Foundation", an Implementation Plan will be elaborated in which the different stages of adapting our products, services, processes and means of production to Design for All criteria will be outlined as well as following the systematic process of the Commitment to Design for All.

In the same way, we commit ourselves to disseminating the Commitment to Design for All among our clients, consumers and users through our habitual channels of communication and dissemination.

And so we hereby sign and ratify the present document in the place and on the date detailed in the heading.
